Professional At-Home Treatment
for Healthy Gums

Perio Max⁺ Complete Kit

Control and Reverse Early-to-Late Stages of Periodontal Disease Today.

The Perio Max System is designed to deliver medicine below and in between your gums using custom-fabricated tray(s) and an applied homecare gel, to help reduce or prevent gingivitis and periodontitis (also known as periodontal disease).

The symptoms of gum disease includes:

- Bleeding gums
- Sensitive teeth
- Persistent bad breath
- Swollen, red or tender gums
- Spaces developing between your teeth
- Receding gums (teeth appear longer)
- Loose or mobile teeth
